### Star imported mare [Marja](#) (Burggraaf x Pericles xx) For Sale

We leased this sweet well bred mare for a season and she had a gorgeous colt by [Navarone](#), [Finley MG](#). The owner wants to sell her as they have a nice colt from her for themselves and not breeding anymore. [Marja](#) is a very sweet mare to have around. Easy to get along with the other mares. We got her late in the season so she had a late start at breeding. We did get her in foal, but this year she didn't conceive. She is cultured clean and in good health. She comes with a breeding to Navarone or Schroeder. Breeding season is almost here and she will be ready to be bred! \$8500 to some very lucky person.

### **VDL Stud Fantastic Success at Stallion 1st Round**

Wow...check out the list of stallions that have been preselection for the 1st round selections in Holland. 18 stallions! 3 dressage and 15 jumping stallions! Way to go VDL! Some of these stallions may get approved and available for us via frozen in the next year! The next step is the KWPN Stallion show for 2nd and 3rd round selections Feb 2-5, 2011. I don't think I'll make it again this year. :- ( But, will be following VDL's and all the stallions success there. 182 stallions to be seen over 3 days. A great place to study bloodlines and the up and coming KWPN Dutch stallions!
