collection unit to collect fresh to service our breeders and keep him in competition. Unfortunately the price of collection has to go up to \$275. We have not had any increases in our collection costs in many many years and the costs have gone up and with the use of this new service, we have to do it. It will be worth it for our breeders to have their offspring's sire at the shows where he can be seen and get the experience and

### New rider for Schroeder (Sandro Hit x Escudo I)

We are very excited that out stallion Schroeder (Sandro Hit x Escudo I) is in training with the FEI Grand Prix rider and fabulous trainer/instruction Cindi Wylie. Schroeder will be staying at Rosebrook farm so he can continue his training and compete at PSG this year. He is a very special stallion and we are thrilled that he has a very special rider. He has been winning in sport and his offspring too. Even his son Hifive MG was first premium and only 1 point from a Totilas foal and the KWPN-NA inspecton and our stud fee is much cheaper! We will also be using a mobile collection service for him too. A competition schedule will be coming soon.

Schroeder (Sandro Hit x Escudo I)

Approved Hanoverian, GOV, ISR/OLD, BWP, RPSI, Canadian Warmblood, Canadian Sporthorse, Westfalen for Westfalen and Rhineland mares, KWPN PROK and Scoped.

### Gingerloma MG (Navarone x Goodtimes)

Our horses have their winter woolies on but still looking great! This 2 year old chestnut filly is one of my favorites. I love the famous LOMA mare line she comes from and she shows why. I do this breeding every year as it is such a good success. Her full brothers Austin MG and Fenway MG are amazing too. Unfortunately her mother Miloma Elite aborted last year and didn't take again, but we will try again this year. Gingerloma MG has great character with beautiful gaits that are no only extremely functional but fancy. She'll excel in dressage at the highest level, but she also has shown fantastic jumping talent too. Could be a super foundation filly for someone's breeding program too. She turned heads at her first year out at the shows. And the judges agreed. 2012 Brookside Breed Show I 1st Place 2012 NEDA Fall Show Yearling Filly 1st Place 78.5%, Reserve Champion Filly Championship, Reserve Champion USDF BC Series Final. I'm sure she will do that again in 2013 for some lucky buyer. Can't say

enough about this filly. She had a cut on her coronary band as a foal, but we took care of it surgically and she is all good except for a cosmetic scar. For sale with preference to buyers that will take her where she deserves to go in sport. Check out the new videos of [Gingerloma MG](#) in the snow. Prices still 2012 and will adjust soon, so no time to waste.

**[Gercordia MG \(Farrington Keur x Marlon\)](#)**

If you've been wanting a filly from the famous Keur stallion Farrington, here is your gal. This 2 year old chestnut filly has pizzazz and a jaw dropping trot. She comes from the Holsteiner Stamm 1907. Her mother produced the #1 jumper filly, so lots of good jumper blood to do those hard pirouettes in the future. She is built much like her Keur sire Farrington proven to produce top Grand Prix

 (Farrington Keur x

dressage offspring. She has an amazing topline with plenty of uphill carriage like her father. For the serious buyer looking for a top performance horse for dressage and looking to kick butt in the ring. [Gercordia MG](#) is also a good candidate for breeding too. Very personable with lots of spunk to do the hard work and very trainable. At her first show ever at Ten Broeck Farm in 2012 she was 1st place Yearling and ended up #4 in the nation USDF KWPN-NA. Not too shabby for a growing yearling. Preference to a buyer who will help her prove herself in sport or breeding. Check out the new video of [Gercordia MG](#) playing in the snow.

**[Hybritta MG \(Crespo VDL x Marlon\) #1 KWPN-1 Jumper Filly](#)**

HW we are not surprised the #1 KWPN-NA jumper filly [Hybritta MG](#) in the nation likes to jump! She is bold yet very trainable. Lots of spunk. I love to watch her move as her gaits are incredible. I'm disappointed that her Keur mother O'bertede did not take this year, but we'll do it again. Her 1/2 brother Dante MG became approved and finished his 100 day test last year and standing at stud here at Majestic Gaits. Good motherline? I think so! [Hybritta MG](#) is a yearling filly you could take to the [Young Jumpers](#) and show off her free jumping. This fantastic yearling filly is for sale with

Etoulon VDL (Toulon x Calvados)

**Quasimodo van de Molendreef** (Heartbreaker x Lys de Dramen)

Approved KWPN, BWP, AES and sBs

Quasimodo was to be sold abroad and the NL breeders spoke up and said no! This fantastic Heartbreaker son brings a very proven option for jumper breeders. He jumped international Grand Prix and has many offspring doing the same along with 2 approved sons.

### **Foals coming in 2013 and presales**

It wasn't a stellar breeding year for us in 2012. And no fault of the stallions for sure. The mares just presented all sorts of problems. Most did not start cycling til May and dealt with multiple infections. I'm ready for them this year and hoping for a large crop of top foals in 2014. This year we have the following foals coming with some options for presales. Presales are \$1000 down and balance due when the foal is standing and nursing and healthy.

**Eeyanette RGS** (Veron x Accord II) in foal to Navarone (Jus de Pome x Armstrong).

We are so excited to have this mare line back in our breeding program after we sold her Keur mother Larinette. This will be 3/4 bloodlines to the fantastic top 10 horse Zalig MG who's been doing great in the eventing world. After she foals, Eeya will go into sport to prove herself. Due April 10, 2013 No presale at this time.

Eeyanette RGS (Veron x Accord II)

### **Tercordia Keur Elite**

(Marlon x Accord II)  
Already produced a #1 KWPN-NA in the nation and now in foal to Crespo VDL (Canturo x Candillo x Quidam de Revel) who also has produced us a #1 foal in the nation. We like what Crespo VDL brings to foals. Presale available. Due April 16, 2013

Tercordia Elite (Marlon x Accord II)

### **Valanta Keur Elite**

(Goodtimes x Houston) In foal again to the amazing cross from Schroeder (Sandro Hit x Escudo I). Full first premium and breed show winning brothers Galileo MG and Hifive MG are proof! Hifive MG has been sold to Beth Sabbagh and is growing up at DG Bar Ranch in California.

Hifive MG was first premium, 2nd in the class by only 1 point to a foal by Totilas! Oh and did you see her daughter Dalanta MG by Johnson on the cover of the KWPN-NA news? Going to be another top foal! Due April 30, 2013 Presale available.

Valanta (Goodtimes x Houston) Photo by Carole MacDonald

### **Uloma MG Keur Elite Sport (Dressage)**

(Farrington Keur x Goodtimes) and again back in foal to Schroeder (Sandro Hit x Escudo I). This will be a full sibling to the reserve champion yearling Frauloma MG. Fantastic combination that we think is tops and the judges too! We can't wait! Have everyone due in April and then will have wait it out to July. Hoping for earling foaling! Due July 9, 2013. Presale available.

### **Listing Mare Leases and Horses for Sale**

#### **Majestic Gaits Clients Classifieds Back**

I've got a start at the Majestic Gaits classifieds with categories for offspring of stallions from Majestic Gaits and VDL Stud for our clients for free. Give it a try and give us some feedback. If your looking for a horse from one of the stallions here, this is a great place to look!

I've also added a mare lease section for people to list the mares they have for lease. We have several clients asking for lease mares and will send them here to look. So, list yours.

**Classifieds Link** - Please give me feedback on any problems or suggestions. I've still got a lot of work to do on it. If you don't see your MG or VDL sire in the sales list, email me and I'll add him. I have a lot to add!

### **Fresh Collection Fees**

We unfortunately have to raise our collection fees this year. We have not done it in many years. The higher cost of expenses and with 2 of the stallions going to mobile collection, it will bring them all in line. All collection fees will be going to \$275. For those using Schroeder or Dante MG, we will be giving you instructions for getting them collected for you from the mobile unit. They guarantee their service, so everyone should be pleased with the same great service we have provided from Majestic Gaits too.

### **Dalanta MG wins 2012 Ger van der Veen Award**

Not sure it could be a much better year for our horses. To end it off Dalanta MG (Goodtimes x Houston)see above by Johnson out of our mare by Valanta won the KWPN-NA Gert van der Veen Award. Our mare Valanta was in

foal with Dalanta MG when we bought her so we don't get the breeder recognition, but she was still ours. We sold her to Abby Onsgard who has been do a super job with her at the dressage shows and obviously the KWPN inspecton.

We are looking forward to a new year of foals and breeding. 2012 was a year of some major ups and downs for us. The worst down was losing my brother to Dementia. The ups are that our horses were very successful in the shows and inspections and receiving the national awards.

I've updated the website with a lot of new photos. Keep the photos and updates coming from the offspring of our stallions and horses we bred. We love to hear the news.

We wish the best for everyone in their foaling and breeding endeavors this year. We would like to help you achieve your goals too.
